VOLUME CV.—NO. 251.

ALEXANDRIA, VA., SATURDAY EVENING, OCTOBER 22, 1904.

PRICE 2 CENTS.

Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietor and makers of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money for any case of Leucorrhoea, Female Weakness, Eruptions, or Falling of the Womb, which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.

Very often a married woman or young girl does not know who to turn to for advice in circumstances where she dislikes to talk with the family physician about delicate matters. At such times write to Dr. R. V. Pierce, chief consulting physician to the Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., for free consultation and advice, and the same will be held as sacredly confidential. It is foolish to consult women friends or persons without medical training.

Dr. Pierce's Favorite Prescription contains no alcohol, is entirely vegetable and was the first exclusively woman's tonic on the market—it has sold more largely in the past third of a century than any other medicine for women.

All other compounds intended for women only are made with alcohol, or alcohol is a large component—this alcohol injures the nerves. The little red corpuscles of the blood are shrunk by alcohol. All such compounds, therefore, do harm.

Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. Use them with the "Favorite Prescription" when a pill is required. One is a laxative, two, a mild cathartic.

Mr. Bryan in West Virginia.
Hon. W. J. Bryan began his two days' campaign in West Virginia for the national democratic ticket in Parkersburg, W. Va., yesterday afternoon. Henry G. Davis, who has been waiting in Parkersburg since Thursday to welcome the Nebraskaan, was the first to extend his hand as Mr. Bryan alighted from the train at 3:30 o'clock.

During Mr. Bryan's speech of an hour's duration Mr. Davis sat behind him on a second-story portico, which overlooked as many people as could command earshot of the strong oratorical powers for which Mr. Bryan is celebrated. When the speech was concluded Mr. Davis faced the audience, but merely acknowledged their plaudits and modestly declared that no man could speak after Mr. Bryan.

Mr. Davis' private car "Graceland," in which the candidate has been touring the country, was placed at the disposal of Mr. Bryan. He will occupy it on his journey in the State, which included speeches at Huntington last night and Charleston tomorrow night. The car will take him to Wheeling tomorrow, from which place he will plunge into a speech-making tour of Ohio. Mr. Davis took the regular train for his home in Elkins last night.

In his speech Mr. Bryan stood for the principles of government and democracy on which he made his two campaigns of 1896 and 1900. He declared with emphasis that he had given up nothing of these beliefs, for that the present democratic platform gave him more of them than any other platform. Imperialism received more attention than any other subject touched upon. Speaker Cannon, he said, was referring to the assistance Bryan had rendered in securing the ratification of the Spanish peace treaty. In this reference he said Mr. Cannon was entirely overlooking the amendment which Mr. Bryan had also supported, placing the Filipinos on exactly the same basis as the Cubans. He had been asked how, as a believer in silver, he could vote for a candidate who believed in gold. His answer had been weighed in the balance with the questions that have arisen within the last few years—"human rights and the declaration of independence make the money question seem small and insignificant." In eliminating all but the two principal political parties, Mr. Bryan said: "One of two men will be President. It will be Parker or Roosevelt. If I did not do what I could to help Parker I would be helping Roosevelt, and I am not willing to take the responsibility of four years more of Roosevelt. My main concern in this campaign is that every man who voted for me shall vote for Parker and Davis. Let us give to Parker and Davis all the votes that were given to me. I tried to save this country from imperialism, and I failed. I am now going to help Parker save it. It will be my victory and yours and the victory of all the people, and there is glory enough for all of us in such a victory."

Made 105 Miles an Hour.
Once again the mail trains of the New York Central Railroad have made a red-letter mark in railway history. Robert Butterfield, engineer of No. 32, the mail express from Albany to New York, did the whole distance of 143 miles between the two cities in 142 minutes, making an average of 60 miles an hour. It was on Thursday, October 13, that the mail train, consisting of six cars, made its record. Drawn by engine No. 2998, the train left Albany 1 hour and 10 minutes behind the schedule time. To land the mails for the west Butterfield had to make up all of this lost time. Starting down the Hudson Valley at a steady mile-a-minute clip until reaching Tivoli, he ran the 4.33 miles to Barrytown in three minutes, or 87 miles an hour. His ambition thus whetted, he let out another notch, and the 5.49 miles between Rhinecliff and Staatsburg were finished in four minutes, or 83 miles an hour. The engine had just a little mite in reserve, but Butterfield reserved his final effort for the straight run of 3.51 miles between Croton and Ossining, and the engine, let out to the extreme limit, flew the distance at 105 miles an hour, the distance being covered in two minutes. When the train reached the Grand Central all of the lost time, save seven minutes had been regained.

Panther Killed.
Farrandville, a village three miles west of Lock Haven, Pa., is in a fever of excitement over the killing of a panther that measured twelve feet in length. That section is so overrun with bears and other wild animals that the employees of Young's cigar factory have been carrying guns to and from work as a matter of protection. Herbert Cohn and Bert Sellers in going to work early Thursday morning encountered a large and hungry panther, which attacked them in the highway. Dropping their dinner pails, the men ran toward the factory. They were met by K. W. Johnson and Robert Sebring, who were starting on a bear hunt and were heavily armed. Hastening to the spot with their Winchester cocked, they found the panther devouring the men's dinners. A fusillade of shots rang, and with a yelp the panther fell over dead with a bullet through its heart.

Celibate Pact
Twelve young men and twelve young women of Bay Ridge, New York, have entered into a celibate pact. A club was formed a day or two ago at the Borough Park Clubhouse, and an agreement of a binding nature was entered into by all present. They agree not to marry or be given in marriage, and all love is barred. The leading spirit in the new movement is James O'Connell, a school teacher, and he thinks it will not be long before clubs similar to his will be organized not only throughout the State, but the country.

Suicide for Incubators.
Before the National Prison Congress, which is holding its annual convention in Quincy, Ill., Dr. Henry G. Hatch, of Quincy, advocated the infliction of death upon degenerates as a means of preventing the spread of degeneracy. Dr. Hatch advocated homicide on the right to take a diseased person take his own life when he is found to be incurable. He said he also would have the State dispose of the permanently insane and incurable by putting such persons to an easy death.

Broke Into His House.
S. Le Quin, of Cavendish, Vt., was robbed of his customary health by invasion of Chronic Constipation. When Dr. King's New Life Pills broke into his house his trouble was arrested and now he's entirely cured. They're guaranteed to cure, 25c at E. S. Leadbeater & Sons' Drug Store.

A Very Remarkable Remedy.
"It is with a good deal of pleasure and satisfaction that I recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Druggist A. W. Sawtelle, of Hartford, Conn. "Recently a gentleman came into my store to overcome with colic pains that he sank at once to the floor. I gave him a dose of this remedy which helped him. I repeated the dose and in fifteen minutes he left my store smilingly informing me that he felt as well as ever. For sale by Gibson & Timberman and W. F. Creighton & Co."
